Fundraising Stephanie England (SE) and Catherine Fitzgerald (CF)

Due to the rules around COVID-19, it has been decided that the school will not be doing anything around sausage sizzle on election day at the school on 4th December. This is because people are unable to loiter or eat on the premises.

Robert has offered to do a sausage sizzle within COVID guidelines. Andrew will work offline with Robert to discuss how we do it. The P&C thanks Robert for his offer.

Stephanie suggested we do a welcome BBQ to parents and children in Term 1 of 2022 pending COVID safety regulations. There will be more fundraising initiatives discussed in 2022.

Concerns about damage around Curl Curl Lagoon

Paula shared some photos around the damage to Curl Curl lagoon where kids have been chopping down trees, wrecking grass and building bike ramps. The damage is quite startling. It is also an area that is landfill and there is asbestos in the bank. The rain has been washing this into the lagoon. When kids have been approached by people in the community, they have been quite aggressive and followed one lady home.

It was agreed that this would be documented in the school newsletter and police are visiting the school chatting to Year 6 about the matter in two weeks time.
