SCHOOL PRINCIPAL
Donna Blatchford
Curl Curl North Public School
 Playfair Road.
 North Curl Curl, NSW 2099
 (02) 9905 1757

We are privileged to be surrounded by the sand, the sea and the sky of this beautiful place we call Curl Curl.

We would like to acknowledge we are on Gai-mariagal country. We pay our respects to the Gai-mariagal people, to elders both past and present, the traditional custodians of this land where we meet today.

Our school is committed to learning about, and caring for this country. We promise to walk softly and show respect to this land.

We would like to pay our respects to the elders both past and present and extend that welcome to any Aboriginal and Torres Strait Islander peoples here today.

Education Week 'Every Student, Every Voice'

Last week we held a unique event where the theme of this years Education Week 'Every Student, Every Voice' was celebrated through a morning showcase of our student voices. You can read more about this successful event on page 4. I would like to thank the Curly School Events Team overseen by Mrs Gourley. With a focus on increasing community engagement, this team are working together to review school events, coordinate new events and promote joint school and home interactions with a focus on student learning.

3-6 Athletics Carnival

Another successful event held recently was our 3-6 Athletics Carnival. This year Mrs Boyle (AP) and Mrs Watson (PE Specialist Teacher) coordinated an event where track and field were held on the same day. The day focused on 'students cheering on students' with exceptional comradery shown between our students, especially our Year 6 students during their high jump event. Teachers were actively engaged in the events and all students moved around together. Seeing our parents cheering on from the closest fence line or up at the shot put area really highlighted the community we have here at Curly. I have shared the positive feedback I have received via the school email about this event with the team and thanked them for taking a risk in their thinking and planning around this event. Next year we look forward to incorporating some other activities as we continue to promote the benefits of a fun and active lifestyle through our school events.

Changes to the Department of Education Enrolment Policy

The Department of Education has revised the Enrolment Policy. I have included in this newsletter information for parents about the reason for the revised policy, the enrolment cap and selection criteria for non-local enrolment. I encourage you to read this and follow the contact information should have any further questions. We will continue to work through all local and non-local application as per the policy.

This Fortnight on the Principal's Wall

Students in Class 1S sent me an email to share their learning and invited me into their classroom where they have a spectacular view of our new build in the construction phase. Students were able to project their learning looking into our new build as they used 'verbs' to describe what they were seeing.

Thank you Miss Shelley and students in 1S.

Our Student Representative Council (SRC) meet to narrow down their projects and planning.

The 'Voices' of Curly

Last week in conjunction with the NSW Education Week theme, 'Every student, every voice', our Curl Curl North students truly demonstrated the power of using one's voice to convey a message.

Our 'before school voices' were showcased in a variety of platforms, all reflecting aspects of the curriculum. In the music room, the band played and encouraged the audience to participate using their voices with a variety of instruments. The 'technology voice' was housed in the computer lab where the green screen was utilised in interviews. The SRC manned a table to use their voices to encourage support and involvement in the 'September' initiative for Cerebral Palsy. The hall was filled with audience members keen to experience 'voices in movement' as they viewed the dance groups in action. 'Voices for change' were illustrated by the debating teams via their persuasive speech. Finally, the youngest members of our school from K-2 fronted the 'Speaker's Corner' reading their persuasive writing texts.

The transient nature of our audiences was amazing, as visitors would drop in and out of the different showcases. We thank you for taking the time to hear and view the dynamic voices of our Curl Curl North students – the voices of the future!

Father's Day Breakfast

Calling all fathers! You are invited to attend the Father's Day Breakfast on Friday 30 August at 8:15am. A note will be sent home requesting an RSVP so that we can provide you with a token to redeem at the barbecue in the Kindy COLA. On offer will be bacon, eggs, bread, sauces, juice, water and tea and coffee. The BBQ will be manned by our own Master Chefs (the teachers). We look forward to seeing you.

Speaking and Listening in Early Stage 1

In the magical world of fairy tales, many potions have been concocted and detailed in texts. In conjunction with the speaking and listening component of our English syllabus, our ES1 students have been creating their own potions and explaining them in formal topic talks, using a myriad of adjectives and sequencing strategies. Look out! A spell may be cast on you should you pass by our 'classroom castles'. In KP, a spell was cast so that all would have a friend. Other spells across the grade include becoming stronger, running fast and even turning little brothers into crocodiles! Beware...

Athletics Carnival

Congratulations to all students who participated in the 3-6 athletics carnival at Sydney Academy of Sport on Monday 5 August. It was fantastic to see all students actively involved in the events throughout the day and cheering each other on. The overall house competition was very close, but the champion for 2019 is **COOK!** A summary of the results for each event can be found later in this newsletter.

The Manly zone athletics carnival will be held on Wednesday 28 and Thursday 29 August at Sydney Academy of Sport, Narrabeen. Students who have qualified for this carnival will receive notes this week with further details.

**Premier's Reading Challenge (PRC)**

There are 2 weeks to go until the PRC closes for 2019. The **Closing** date for all students is **30th August 2019**.

K-2 need to have read 30 books and parents can you please log their books online by this date. Instructions and log in details went home in term 1.

3-6 need to have read 20 books and are doing their own online entry at school.

If you have any questions or are experiencing any issues please contact the library staff without delay (but please not when we are teaching.)

So far there are over 400 children at our school who have completed the challenge. If your child is nearly finished, it is not too late. Keep reading and come to the library to borrow extra books. Good Luck!

I have attached a list of children who have completed the challenge so far to this newsletter for parents to check. If your child's name is not on the list and you think they should be, please contact the library staff.

Book Character Parade and Book Fair

8.00: Book Fair opens.

9.15: K – 6 Open Classrooms

10.00: The Kindergarten, Year 1, Year 2 and Year 6 Parade will begin at 10 am on the Astro Turf.

10.45: Have morning tea with your children and visit the Book Fair. Buy a book to take home and keep. This is our annual fundraiser. Please support our fundraiser.

11.30: Year 3, Year 4 and Year 5 will have their Book Parade at 11.30 am on the Astro Turf.

We invite all parents and carers to come along and join in the fun and take advantage of the photo opportunities of your children dressed up as their favourite character from a book.

We will have music and prize giving and it promises to be a fun day. It is time for Curl Curl kids to raid their dress up box at home and to start thinking about their book character costume.

Here are some pics to give you some ideas.

4.00: Book Fair closes.

Enrolment policy

Information for parents

The Enrolment of Students in NSW Government Schools policy is in place to assist schools to meet their obligations under the *Education Act 1990* - to ensure that every student has a place at their local school. The policy also communicates to staff and the community a transparent enrolment process.

Why was the enrolment policy revised?

Across the state, many communities are changing. Some are growing at rates never seen before. Some schools that used to be able to accept out-of-area enrolments, no longer have the room to do so.

The revised policy is designed to support schools to manage all enrolment applications, encourage greater consistency in decision-making and make sure the enrolment choices are clear for parents.

What are the changes?

The enrolment cap

The enrolment cap is the number of students that can be enrolled at a school based on the school's permanent accommodation. The enrolment cap tells us whether the school may or may not have the capacity to accept non-local enrolments. It is not a target or limit on the number of local enrolments a school can take.

Each school with a local intake area will have a cap set by the department from Term 4 2019.

Within the enrolment cap, a number of enrolment places (the buffer) must be kept aside for the likely number of local students who will need to enrol during the year.

For this reason, a school will not take non-local students once they reach their buffer, unless there are exceptional circumstances.

100-point residential address check

Parents planning to enrol their child at a school that is near or at their buffer or cap will be asked to complete the 100-point residential address check to confirm they live within the school's designated intake area. This means you will need to provide documents to verify your child's current address.

So that schools only seek information relevant to your child's enrolment, a list of approved documents for the residential address check is available from the school or the department's website at <https://education.nsw.gov.au/policy-library/policies/enrolment-of-students-in-nsw-government-schools>.

Selection criteria for non-local enrolment

Sibling enrolments are now clearly prioritised (where possible) and selection criteria for non-local enrolment will not include student ability, performance or achievement.

education.nsw.gov.au

What has not changed?

Schools will continue to enrol students who live in their local intake area, regardless of the school's cap status.

There are no changes to enrolment rights of siblings of non-local students. In schools with available places, each enrolment application is considered on its merits, including if siblings currently attend the school. If the school is below capacity, out-of-area applications for siblings of current students will be given enrolment priority.

Schools will continue to provide families with support and advice during the enrolment process, including assessment of exceptional and compelling circumstances particularly for vulnerable students and their families.

Schools will also continue to apply the policy fairly and consistently using transparent and accountable processes when making decisions around enrolment applications. Parents have a right to appeal to determine whether the stated processes have been applied in a procedurally fair manner.

But what do the changes mean for me?

What if my child is already enrolled but we do not live in that school's intake area?

Your child will remain enrolled at the school as the revised policy does not affect students already enrolled in NSW Government schools.

We were in area when my child was enrolled in the school. The department has since changed the school's boundary and our residence is now out of area. I have other children and I want them all to go to the same school.

What are my options?

At times it is necessary for the department to make adjustments to a school's local enrolment intake area. This could mean a family with a child/children already enrolled is then outside the local intake area. When this happens, the family will still be able to enrol siblings together at the school, regardless of whether the school is over the buffer or cap.

I already have a child enrolled as an out-of-area student in a NSW Government school. Can I enrol my other children at that school too?

This will depend on the capacity of the school:

- If the school is **not near its buffer**, then siblings should be able to be enrolled at the school. In fact, siblings of students currently enrolled will be prioritised, where possible, over other non-local enrolment applications.
- If the school is **nearing its buffer**, then the school will form a non-local enrolment panel. The panel considers non-local enrolment applications when the number of non-local applications received exceeds the number of places available below the buffer. Again, in this instance, siblings of students currently enrolled will be prioritised, where possible, over other non-local enrolment applications.
- If the school is **at capacity** they will not accept non-local enrolment applications unless there are exceptional circumstances.

I have already accepted an offer for my child to attend a school in 2020 that is not my local school. What happens now?

The enrolment will proceed. Non-local enrolments accepted before Term 4 2019 for students starting in 2020 should not be affected.

What is the criteria for enrolment in a school that is not my local school?

Schools that are able to accept non-local enrolment applications establish a non-local enrolment selection panel, if demand exceeds the number of places below the school's buffer.

Schools are required to make the selection criteria available to the school community.

My circumstances are challenging and I think this school is best for my child. We live outside the school's intake area. What should I do?

We understand that not everyone's circumstances are the same, and that there are instances where exceptional circumstances will need to be considered.

Your circumstances should be discussed with the principal of your local school who can assist you to negotiate an out-of-area enrolment if there are exceptional and compelling circumstances.

MEAL TIME CONVERSATION

Meal time conversations can be a time to develop healthy eating behaviours and encourage food exploration.

Child centred nutrition phrases and repeated exposure to foods can develop kids willingness to try healthy foods.

Try some of these:

- Eating your greens will make you run faster
- Whole grains help you jump high
- Broccoli trees make you strong

Why kids & parents love Code Camp!

Rated 4.9 on ProductReview.com.au with over 400 5-star reviews!

"Was tentative to do it at first, but after the first day was absolutely in love with code camp. Insisted on wearing hat and t-shirt for the next 2 days. Post-camp, he has continued to build on his game and now shares it with his school friends and family."

Stuart, Melbourne

"My daughter loved her code camp and will be back for more... The experience was great, teachers were fantastic and the follow up emails with more activities has been unbelievable..."

Katie, Sydney
★★★★★

"The end result is far and away the best programming teaching environment I have ever seen. Seriously now my primary school child can program in JavaScript."
