We are privileged to be surrounded by the sand, the sea and the sky of this beautiful place we call Curl Curl.

We would like to acknowledge we are on Gai-mariagal country. We pay our respects to the Gai-mariagal people, to elders both past and present, the traditional custodians of this land where we meet today.

Our school is committed to learning about, and caring for this country. We promise to walk softly and show respect to this land.

We would like to pay our respects to the elders both past and present and extend that welcome to any Aboriginal and Torres Strait Islander peoples here today.

### *Student Representative Council (SRC)*

This week I attended the SRC meeting where students representing years 4-6 volunteer their time and leadership skills to represent our student voice.

I was incredibly impressed with the commitment of this group. The President's and Vice President's, the Secretary and various members that volunteer to sit on the different committees.

If you are able to join us before school next week for our Education Week Showcase please take a moment to visit the SRC table where students will happily talk to you about the initiatives they are leading across the school.

### *Education Week Every Student, Every Voice*

Education Week is a statewide, annual event to celebrate NSW public education, which will be held 5-9 August 2019. The week communicates the achievements of public schools, their students and the value of public education. The CCNPS Events Team have been busy inspiring students to engage in a Before School Showcase that highlights our student voices! I am excited to hand the mornings over to our students for our annual celebration of the achievements and quality of public education, public students and our staff and community. I look forward to celebrating our student voices with you on both mornings.

# This Fortnight on the Principal's Wall

This week I was a guest panelist scoring the Year 6 students, who were chosen as their class finalist in the Bear Pit Public Speaking Competition. Congratulations Jarred, Georgie, Otis, Stella, Chris, Ruby, Riley and Kiera for confidently presenting a 4 minute speech on their chosen topic to engage and persuade the audience. Student Voice!

Both Under 11 and Under 12 Rugby teams have kicked goals this year! Congratulations to the Under 11's who made it through to the Rugby Team Gala Day Finals and came runners-up. The Under 12 team made it through to the Rugby Team Gala Day Final and will be playing next week in Penrith. Good luck. I managed to snap a picture of the excited Under 12 team after all players received their medallions at assembly.

Please wander around as you drop your children to school.

The following rooms, spaces and areas will be utilised by our students:

**Thank you Bunnings Warringah Mall**

A big thank you to Bunnings Warringah Mall who kindly donated a telescopic pole pruner to assist with the school grounds maintenance.

## Year 2 – Farmer’s Market

A **HUGE** thank you to all the parents that helped their child/children prepare for our year 2, ‘Farmer’s Market’ and for the school community for buying our products.

All classes were a buzz with excitement on the day, preparing their product, making signs and posters and getting their stall ready. There was a cupcake stall, pre-paid fairy bread, popcorn, meringues and farmyard bickies.

Prior to the day, each class promoted their product by creating persuasive posters and making advertisements, using the green screen. These advertisements were then uploaded and emailed to each class within the school to promote the products being sold on the day.

This was a great way to bring closure to our unit ‘From the land to the hand’ and allowed us to raise some funds for our farmers who are doing it tough, in this drought.

## Instructional Leadership

Instructional Leadership is an integral component of our teaching here at Curl Curl North Public School. Educators support each other to deliver the curriculum and to continually enhance our professional development. In ES1 (Kindergarten), the teachers are co-teaching with Mrs Reinhardt – the ES1 Instructional Leader. This term, the focus is grammar and punctuation.

As we delve into the magical world of fairy tales, adjectives are very pertinent to this topic. What fun we had together! Mrs Reinhardt produced a magic box, a student selected a mystery fairy tale item (for example, a crown), placed it in the magic box, and then used adjectives to describe the item. The class then used these adjectives to solve and name the mysterious item in the box. Collaborative peer groups ensued, with students working together to use adjectives to describe some fairy tale characters! Grammar techniques will assist our students to further develop writing and representing skills. Thank you Mrs Reinhardt!

## Library News

### Premier's Reading Challenge

The Premier's Reading Challenge **closes** for all students on the **30 August 2019**.

K-2 need to have read 30 books and parents can you please log their books online. Instructions and log in details went home in term 1.

3-6 need to have read 20 books and are doing their own online entry at school.

So far there are over 300 children at our school who have completed the challenge. I have attached a list of children who have completed the challenge so far to this newsletter for parents to check. If your child's name is not on the list you have one more month in order to complete the challenge and make the finished list. Good Luck! Don't forget you can come to the library to borrow extra books if you need to.

### A Date for Your Diary

This year to celebrate Book Week, the library will be holding a Book Fair and a Book Character Parade on **Wednesday, 4 September**. The library would like to invite all parents and carers to school on this day to help us celebrate.

### Book Fair

The Book Fair will open at 8 am in the morning and run all day until 4 pm. In the past we have held a Book Donation Day, but this year it is different. The Book Fair is being run by Carnival Book Fairs and you buy a book to take home and keep, it is not a donation to the library. This is our annual fundraiser and we will receive a commission from the books sold. Please support our fundraiser.

### Book Character Parade

The theme for Book Week this year is 'Reading is my Secret Power' and we will be celebrating with a Book Character Parade. We are inviting all children to dress up as their favourite character from a book for the day and inviting all parents and carers to come along and watch the Parade. More details will be coming via this newsletter as we get closer to the date.

**WE NEED YOUR VOTES TO SECURE \$35K FUNDING FOR BNPS LOWER OVAL**

## Great news!!

BNPS is through to the voting round to secure NSW Government funding towards our planned synthetic sports field and associated lower oval sports facilities.

We need you, your family, your neighbours and all your friends within the Manly area to go online and vote for our proposed project.

Should we win, we would double the school's annual fundraising in a single hit and obtain the funding to greatly enhance the lower oval sport area.

### How to vote:

- Voting can be accessed at: <https://mycommunityproject.service.nsw.gov.au>
- To vote you will need your RMS login details, DOB, address & medicare card
- Select Manly from the drop down list to view the 20 shortlisted Manly projects
- Our project is titled **All Weather Community Sporting Hub**
- Shortlist a minimum of 3 projects & rank them in order of preference (1 being best)
- Make sure the BNPS project is **ranked #1** as rankings carry different weight
- Voting closes 15 August 2019, so please act NOW

**This is a TRULY AMAZING opportunity, not just for the local public school but for the broader community also, so let's not let it slip by. VOTE NOW!!**

## Seaforth Public School Community Nature Playground - PUBLIC VOTE

The Seaforth Public School Parents & Citizens Association is undertaking a nature playground project at the school's Kempbridge Avenue campus. The playground, on the site of the 2015 school fire which destroyed 2 classrooms, will be available for use by the entire community.

The project is subject to a public vote on the [Service NSW My Community Project](https://mycommunityproject.service.nsw.gov.au) website. Here is a link

<http://bit.ly/seaforth-playground>

There is a little bit of legwork, as you need to log in using your Medicare number and vote for at least three projects, but there are many worthwhile projects submitted, so by voting you will be doing your bit for the Manly electorate. Hopefully you put our nature playground project as your number-one choice!

Why? Studies show natural playgrounds provide better opportunities for children to develop gross-motor skills than modular playgrounds. Contact with nature is associated with health benefits for children, such as reduced sickness and stress, reduced rates of bullying behaviour, lower rates of obesity, improved cognitive function, increased creativity, improved interaction with adults, and reduced rates of aggression, anxiety and depression. Plus, they're just plain good fun.

The nature playground will occupy space adjoining the school library and will overlook an existing garden with shade, benches, and seating. A great asset to our community!

On behalf of the Seaforth Public School and the local community, we thank you for your consideration in supporting this worthwhile project.
