Canteen Report Andrew Whitaker (AW)

The canteen has experienced a loss for the last 6 months. This is combination of less over the counter sales at lunchtime due to the fences and the children now playing over the road.

Prices have been adjusted and we will revisit the situation in a few months.

There is still a piece of broken concrete outside the middle window of the canteen.

AW will get the order form for the winter tunic organised and follow up on when the orders should be in by.

Ashleigh and Georgia have both left OOSH to pursue other careers and we wish them luck. Vacation care was a great success and we are now at capacity 3 days a week in the afternoon.

Donna presented the Principal's Report for June 2019 a copy of which can be found attached to these minutes.

School Council (KT)

The school council has now been reformed and all members are in their positions, the next meeting is new week during education week.

Other Business

A group of Year 3 parents raised some concerns about their class and the turnover of staff this year. The Principal said she will handle this matter under the school's complaint handling process and would report back to them under the framework of this policy.

Lucy Vincent asked whether it would be possible to send out a petition to parents at the school asking if they would be in support of a special class at the school next year that could cater for students with a disability. The P&C agreed in principle but it would be subject to more information being gathered.
